PRE-APPLICATION CONFERENCE INFORMATION SHEET AND APPLICATION

Prior to the formal submission of an application and prior to the applicant spending time and resources preparing detailed plans and technical studies, the applicant can use the Pre-Application Conference process to have County staff answer specific questions or to provide general input and observations regarding the project. This is a process that is optional on behalf of the applicant.

This process will not result in approval of a project nor will it generate “conditions of approval”. Along with a completed Land Use Application, the applicant will submit a letter specifically indicating what input the applicant wants from County staff.

Section A - County Documents

1. _____ **One copy** of a completed Land Use Application Questionnaire. For this process only complete the materials necessary for staff to address the questions you are asking.

Section B – Other Documents

2. _____ **One copy** of a letter describing your proposed project and specifically describing what you want County staff to address, review, or provide input on.
3. _____ **One copy** of a preliminary site plan, subdivision map or any plans or reports that will be helpful in addressing your questions.
